PODCLASS

EMPOWERING STUDENT VOICES

Sri Bhashita's PODCLASS gives students a smart platform to think, speak, and shine. It helps them build confidence, improve communication skills, share ideas, explore new topics, and connect learning with the real world. It turns every child into a creative thinker and an expressive speaker

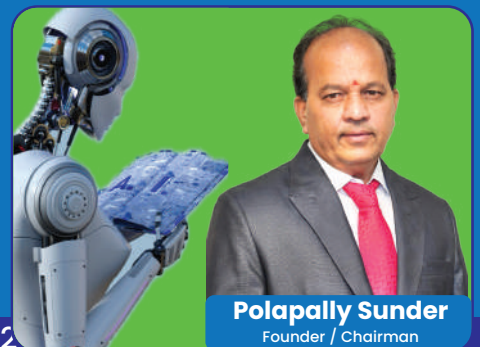

NEW WELL-FURNISHED LIBRARY

Our newly designed library offers a bright, modern, and peaceful space for students. With a rich collection of books and digital resources, it encourages reading, research, curiosity, and independent learning. It is the perfect place where knowledge grows and imagination takes flight.

THE HAPPY BELL

TEACHING HAPPINESS AS A VALUE

At Sri Bhashita, the Happy Bell gently reminds our students to pause, smile, and reconnect with happiness in their daily routine. We believe that happiness is the most precious treasure in the world and the foundation of a meaningful life.

"All happy people are fine, but all fine people are not happy."

Through this thoughtful practice, we nurture joyful minds, positive attitudes, and emotionally strong learners—because true learning blossoms in a happy heart.

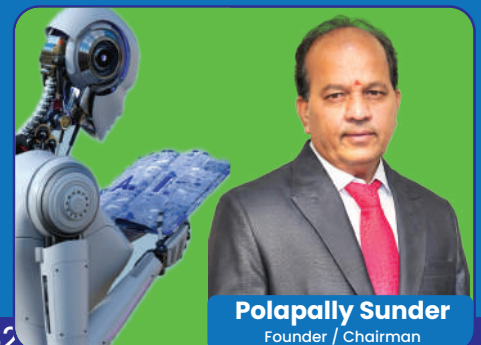

ATAL TINKERING LAB (ROBOTICS)

Established in 2020, the ATAL Tinkering Lab at Sri Bhashita empowers students with hands-on learning in innovation and technology. From Grade 3 onwards, students are introduced to Scratch, Coding, Artificial Intelligence, Robotics, and Python, carefully designed according to their age and skill level.

Our commitment to experiential learning and creativity has earned Sri Bhashita the Best Tinkering School of the Month Certification in September.

THARANGINI - NATURE WITHIN OUR SCHOOL

Tharangini is our serene nature zone that brings students closer to the environment. It allows children to experience the chirping of birds, fresh greenery, and the calmness of nature right within the school campus. A peaceful space that nurtures mindfulness, joy, and a love for nature.

Bhashita School Students Shine in National Book Reading Competition

DECCAN FREEDOM NEWS
Nizamabad

In the Read India Celebrations-2025 Book Reading Competition held for nearly five thousand students from about twenty states across the country, students of Sri Bhashita School showcased their remarkable talent. School correspondent Polapalli Sunder said that 9th class student Alina Taharin, in English book reading, and 7th class student Junera Taharin, in Hindi book reading,

excelled in the first round and were selected for the second round at the national level. He stated that their strong reading ability, confidence, expression, and creative thinking helped them secure this achievement.

Out of five thousand participants, only 91 students advanced to the second round, which is scheduled to take place in the third week of November. From these selected students, five will be chosen as final winners. The correspondent expressed his happiness

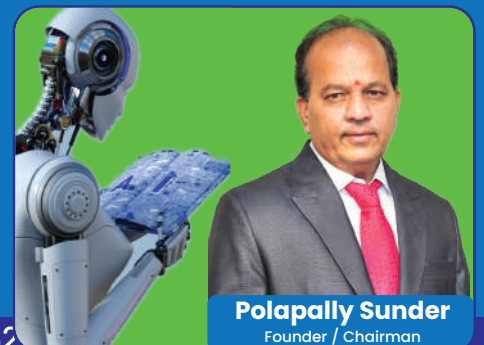

that Sri Bhashita School stood among prestigious institutions in the country, especially representing the state of Telangana with honor. He added that this success reflects the high teaching standards and dedicated efforts of the teachers. He congratulated the students for bringing pride to the school and extended his appreciation to the parents for their support. Principals, teachers, and students participated in the program and conveyed their best wishes for the upcoming competition.

READATHON

Our Readathon cultivates strong reading habits and a deep love for books while encouraging competitive excellence. Our students have actively participated in national-level reading competitions, demonstrating exceptional dedication and discipline. Their remarkable achievements and outstanding performance in the first level stand as a testimony to their reading proficiency and academic commitment.

BHAGAVAD GITA RECITATION

Our students actively learn and recite Bhagavad Gita shlokas, building focus, discipline, and cultural values. They have proudly won competitions at school, district, and state levels, showcasing excellence and devotion.

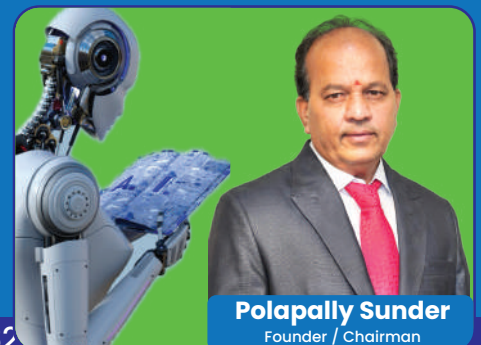

AI PANELS IN TEACHING

Sri Bhashita is the first school in the entire Nizamabad district to introduce AI panels in teaching and learning. From Grades 1 to 10, our classrooms are transformed into smart, interactive learning spaces.

With AI-enabled instruction, lessons become engaging, learning is personalized, and concepts are made crystal clear—preparing every child confidently for a technology-driven future.

PHONICS FROM DAY

1

KINDERGARTEN

At Sri Bhashita, we teach phonics right from kindergarten's first day, building unbreakable foundations in reading and speaking.

Through engaging sound-based activities, children develop clear pronunciation, confident reading, and a strong language foundation from the start.

KRISHNASHTAMI

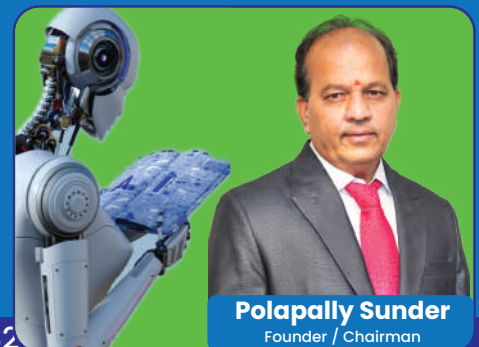

Krishnashtami is celebrated grandly in our school to instill the timeless values of Lord Krishna—truth, love, discipline, and righteousness.

The campus comes alive as children dress as Krishna and Radha and participate in vibrant cultural performances, skits, and dances. Through joyful celebrations, students learn moral values, cultural heritage, and life lessons in a meaningful and memorable way.

SCIENCE LAB: EXPLORING THE WORLD THROUGH EXPERIMENTS

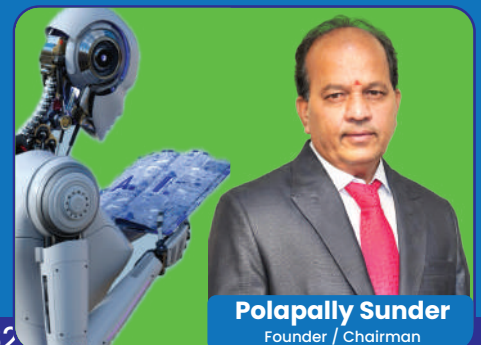

Our newly designed Science Lab is a vibrant learning space where students explore scientific concepts through hands-on experiments and guided observation. Designed to spark curiosity and inquiry, the lab helps students connect classroom learning with real-world applications.

Through practical activities, students develop critical thinking, problem-solving skills, and a scientific attitude in a safe and well-supervised environment.

ACADEMIC EXCELLENCE AWARD

The Academic Excellence Award honours students who demonstrate outstanding academic achievement, dedication to learning, and consistent excellence. This recognition reflects the institution's commitment to nurturing intellectual growth, discipline, and a pursuit of excellence.

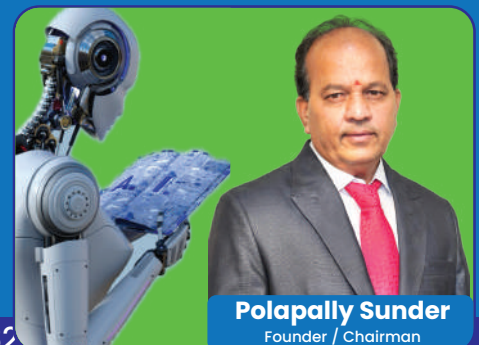

SUBJECT-WISE EXPOS

The Subject-wise Expos provide students a dynamic platform to explore, present, and apply their learning across disciplines. Through creative displays, models, experiments, and presentations, students demonstrate conceptual clarity, innovation, and critical thinking. These expos encourage inquiry-based learning, collaboration, and confidence, transforming classrooms into vibrant centres of discovery and excellence.

BEYOND THE FIELD: GAMES & SPORTS

Games and Sports play a vital role in shaping physical fitness, teamwork, discipline, and leadership. Through structured training and competitive opportunities, students develop resilience, sportsmanship, and a winning mindset. Our sports programme nurtures both skill and spirit, empowering students to excel on the field and in life.

LITTLE STEPS, BIG LEARNING: PLAY-WAY EDUCATION

Our Pre-Primary Play-Way Learning programme nurtures young minds through joyful, activity-based experiences. Learning through play enhances curiosity, creativity, language development, and social skills, laying a strong foundation for lifelong learning.

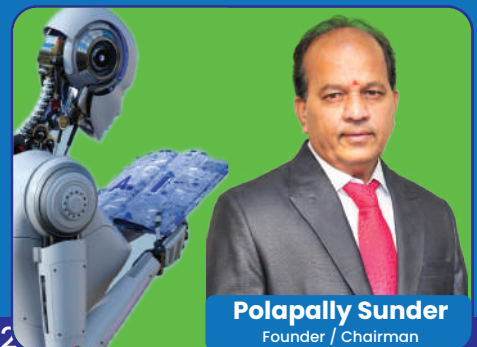

WELL-FURNISHED KINDERGARTEN CLASSROOMS: A SPACE FOR HAPPY LEARNING

Our Kindergarten classrooms are well-furnished, colourful, and thoughtfully designed to create a safe, comfortable, and stimulating learning environment for young learners. Equipped with age-appropriate furniture, learning aids, and visual resources, the classrooms encourage active participation and joyful learning. These child-friendly spaces support exploration, creativity, and social interaction, helping children feel confident, secure, and excited to come to school every day.

We, at Sri Bhashita facilitate every advantage to our students to think and act individual, intensively and critically. Since, it's inception in the year 2005, Sri Bhashita has been the best school not only in academics but also in all round development of every student.

For me, School Education is a crush more than a passion. Sri Bhashita has been moulding many of its students to reach their heights. I definitely foresee, Sri Bhashita will be recognised for using an outbreak technology (Artificial Intelligence and more) in educational system in the entire Telangana state.

At Sri Bhashita School, we don't just teach—we aspire to inspire, challenge, and transform young minds. We believe the future belongs to those who dream, dare, and do, and we are committed to guiding every child on this meaningful journey of growth and discovery.

Education, to us, is not merely about reaching a destination; it is an adventure that builds courage, curiosity, and confidence. By encouraging questioning, exploration, and self-belief, we empower our students to dream fearlessly and fly endlessly.
